Using Sea Containers to Reach the World

Richard Renfro, Board of Trustees vice-president

Mission Printing is now utilizing sea containers to save over \$100,000 per shipment, and we are still continuing to fulfill individual requests for study tracts to countries all over the world. The cost of shipping via container is about \$7,500-\$13,000 versus \$100,000-\$125,000 via U.S. Mail. **That is an average saving over \$100,000!** The saving are potentially greater depending on the destination country. The cost of shipping via container is about \$.30 per lb. versus \$3.00 per lb. via U.S. mail.

A single container can hold 600,000 to 1,000,000 tracts. We utilize volunteers to help load our containers. We have over 200 volunteers who print, fold, collate, staple, trim and do a hundred other jobs. There are 10 congregations who have workstations at their buildings. They pick up boxes of folded tracts and take them to their buildings for collating and stapling. The congregations then return the material for trimming and packing for shipment. We depend on our director, Vendall Dollarhide, and our Office manager, Mary Carroll, to see that everything is coordinated and scheduled for best results. Vendall would be more than happy to come to your congregation and share more with you about the efforts of Mission Printing and "World Evangelism by the Printed Page."

We sent over 30,000 pounds of tracts to Ghana at the end of last year. We are preparing another 30,000 pound shipment for Ghana that will depart in a few weeks. Brother Willie Gley, a minister of the gospel in Accra, Ghana, volunteered to manage the distribution of tracts throughout West Africa. Brother Gley does a tremendous work for the Lord. He coordinates various activities and distributes the Mission Printing studies to congregations in several countries. Willie's home congregation (1,000+ members) helps him canvass Accra, a city of 2,000,000 souls, with the

gospel of Christ by means of our tracts. From April to June, they distribute over 50,000 tracts. A means of making people aware of God's word was to enter a "tract distribution float" in the city's celebration. It was very effective. They gave many to their own neighbors during a "Friends Day" at the congregation's building. Four more events are planned this year to continue spreading the printed word of God. Most of the 100 congregations in Accra have access to our tracts for distribution. We send Brother Gley's email address and phone number to those in West Africa requesting our study material. He sees that they receive what they need for their work.

Our first shipment to Nigeria of 40,000 pounds of tracts sent in June, is being distributed at the present time. Brother Monday John Akpakpan of Abak, Nigeria, is our volunteer manager for the distribution of material throughout Southern Nigeria. Monday John has thousands of contacts for the Lord in Nigeria. Brother Akpakpan worked very hard to complete all the requirements of the government "red tape" to receive our container. He is utilizing brethren to help distribute the material to various congregations and preaching schools. Reuben Egwu of the New Christian Missionary School in Abakaliki, north of Abak, will also participate in the distribution of tracts in his area. We send Brother Akpakpan's email address and phone number to those in Nigeria who request our tracts. He sees that they receive what they need for their work.

God has blessed Mission Printing with the capability of sending many shipments of tracts each year. However, we still need your help. In order for this ministry to continue, we need financial assistance and volunteer congregations to take on workstations. Please join Mission Printing in evangelizing the world by the printed page.

SUMMER 2010 TEEN & PRE-TEEN WORKERS AT MISSION PRINTING

Mission Printing has been blessed once again this summer with young people willing to serve. I am honored to know the young people that labor with mission printing. They are a part of the Mission Printing family!

God is at work in the next generation! Never let the world or Satan convince you that the next generations are hopeless and that we should give up on them. The young people involved with Mission

Printing are willing to work, learn from those around them, and fellowship with Christians a "few" years older than themselves.

We were blessed with even more willing workers than in previous years. If you know any of these young people, please give them a hug and an encouraging word. Each of these precious souls is a true asset to the kingdom and the future of Mission Printing.

The Future of Mission Printing

TOUCHING THE WORLD

LETTERS FROM THE FIELDS

Macheke, Zimbabwe

Nhamo Marunga

Greetings to you from Nhowe, Zimbabwe. I thank you for the four boxes of Bible Studies. It was really exciting to receive such gospel material. Thanks to Rohan Jones of Cape Town, South Africa, who connected me to Mission Printing.

We need more! In Zimbabwe, we have schools and communities who need such gospel material. If you can afford our request, will really appreciate more of your Bible studies.

We have church run schools with many students and staff who are non-members who we can reach using your material.

Pass my greeting to all, especially the ones who mailed the material. I love you all!

We received all the Mission Printing materials! We were excited and thankful. We hope that it will be very useful for the Lord's work on Andaman Island. There are many denominations here, and we will surely distribute the material to them. Thank you

We want to thank you so much for the gospel books. They are doing wonders in Zimbabwe, and the church is really growing through their study of your material. We request many more Bible studies and Bibles. They are helping us in our evangelism efforts in our nation.

Kumbo-Nso, Cameroon

I write to request several boxes of your tracts, songbooks, and Bibles. One of our sisters has built a stand where she displays Christian tracts. The Mission Printing tracts have become "hotcakes!"

We pray that you get enough money to print more tracts.

Cape Town, South Africa
Rohan Jones

I wish to thank you for the gospel material and communion cups. They were cleared in just in time. I leave in a few hours to drive to the country of Namibia to do mission work. Your gift will come in useful, and I will share the material and Bibles with two congregations. The communion cups will be distributed to about 20 other congregations. God bless you and thank you for your assistance.

When you are able, please send us some more material. The congregations in Cape Town are joining efforts to host a four day lectureship in December, and we are expecting brethren from all over the country and neighboring countries as well.

Gokwe, Zimbabwe
Gokwe Central Church of Christ
Gideon Madyira

Warm greetings to you all in the name of our Lord and Savior Jesus Christ. I hope and pray that you are all fine through His loving grace. Thank you for your materials. They are doing wonders. Many souls are being saved and others are being restored to the faith. I am requesting other materials and Bibles to give to newly converted members. We have managed to establish five other congregations through the use of your books. Keep up the great work you are doing for the Lord! God bless you.
